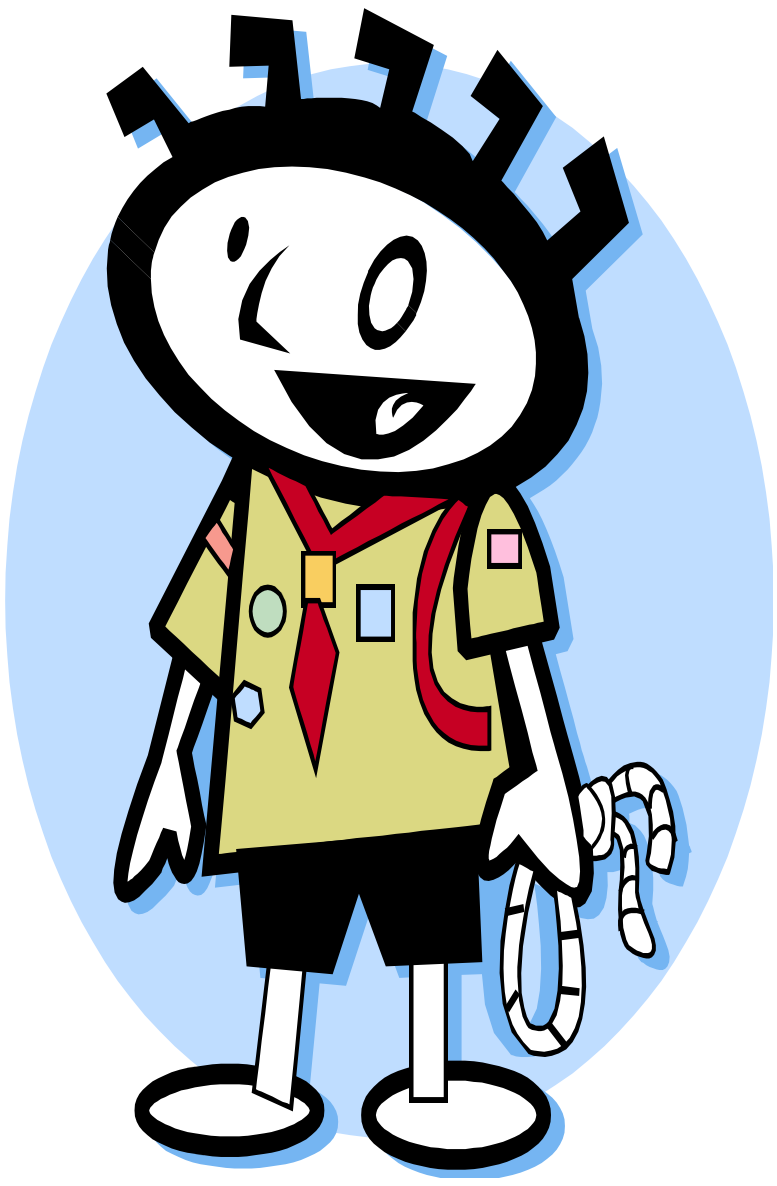
We are prepared, are you?

Disasters can strike at any time and you should be prepared for anything nature can throw at you.

For information on how to prepare for emergencies:



Get an ***Are you PREPARED?*** brochure available at local businesses in the Fleetwood Borough, Maidencreek Township, and Richmond Township.

Emergency preparedness kits are available for viewing at the Fleetwood Borough, Maidencreek Township, and Richmond Township offices to help you create your own kit.

BE PREPARED.

IT'S OUR MOTTO, MAKE IT YOURS.
