**APPROVAL OF TREASURER'S REPORT AND BILL LIST:**

Becky Miller made a motion to approve the Treasurer's Report and Bill List, seconded by Mark Seidel. All voted in favor, the motion passed.

**PUBLIC COMMENTS:**

Maidencreek Little League came to the meeting to report on their Fall Ball season. Enrollment for next year's season looks to be increasing to about 5 to 8 teams. Maidencreek Little League proposed that if the Township would purchase a mower they would be willing to take the responsibility of mowing the baseball fields at the Community Park and if the Board would like to fence in the lower ball field. The Board will not fence in the lower ball field at this time. Maidencreek Little League also asked the Board if they could start to winterize the ball fields with dirt.

**Motion:**

Becky Miller made a motion to approve the purchase of dirt for the winterizing of the ball fields not to exceed the amount of $2,300.00, seconded by David Anspach. All voted in favor, the motion passed.

**COMMENTS & QUESTONS FROM THE BOARD:**

David Anspach thanked the Board and everyone involved at the Township for the memorial bench that was placed in the Community Park in remembrance of his late wife. David Anspach was extremely pleased at the beautiful work that the Township Roadcrew did to install the bench. The Board would like to start a memorial bench program at the Community Park for any resident interested in purchasing and putting a memorial bench in the Park.

Brian Felker asked the Board to look over the T-ball Registration Form for approval and asked Diane Hollenbach to distribute the forms to the Fleetwood School District in November and also January. The Board also decided to compose a letter asking Giorgio for a donation for T-ball.

## MANAGER'S REPORT

Diane Hollenbach, Township Manager, gave a facilities report.

The stones in the Community Park around the pavilion must be taken out due to vandalism towards the concession stand from the stones, stones getting into the grass, and on the basketball court.

Giorgio purchased trees and could not plant the trees; our Township Roadcrew planted them at Cornerstone Park down towards the stream.

The Township Roadcrew installed a Park Rules sign on the concession stand at the Community Park and asked to post address signs along the walking trails where the trail enters from Limestone Village. The Board did not wish to do this at this time.

## NEW BUSINESS

None

## OLD BUSINESS

### Revised Budget Plan

The 2014 Budget was discussed.

### Sign for Community Park

The electronic sign was discussed and tabled at this time by the Board until further information is collected.

### Discount Cards for Blandon

The Board discussed when they would like to see the cards disbursed to the residents and decided that late November with the Township Newsletter would be the best time. The Board decided to hand out one card to each household at no charge and have additional Discount Cards available for purchase for non-residents and residents wanting multiple cards.

### Update on Sand Volleyball Court

The Board received two responses from neighboring municipalities that have sand volleyball courts at their facilities. After reviewing the responses and seeing little resident support for the sand volleyball courts, the Board decided to table the issue at this time.

## ADJOURNMENT

Having no further business, David Anspach made a motion to adjourn the meeting, seconded by Becky Miller. Hearing no questions, all voted in favor. The motion passed.

The meeting adjourned at 8:05 PM.
The next meeting will be Thursday, November 7, 2013 at the Maidencreek Township Building.

Respectfully Submitted,

Katelyn Fox
