Boy Scout Brendon Beshore came to report that he had finished the 15 bird houses and placed them along the Willow Creek from Cornerstone Drive to Schaeffer Road for his Eagle Scout project. The Board commended Brandon on a job well done and thanked him for all the hard work and the wonderful job he did on constructing and placing the bird houses.

Kevin Manmiller, Richard Kaskey, and Chris Malinowski came on behalf of FGSA (Fleetwood Girl's Softball Association) to seek the Board's approval for exclusive rights/usage of the Blandon Fire Company ball field. Kevin Manmiller asked that the Board be aware that their organization, FGSA, has maintained the concession stand, announcer's booth, and field for quite some time. The Board asked that if FGSA were to have exclusive rights/usage of the field that they pay for their electric used and possibly maintain the mowing of the field. FGSA asked the Board for an agreement in writing, the Board did not make a decision at this time.
