Manager's Report

Activity in the Month of October

- Permit applications, bills, deposits and bank reconciliations were handled in a timely manner. Review fee letters were emailed.

- Attended Board of Supervisors meeting (Oct. 10), Police Commission meeting (Oct.14 and 28), Planning Commission (Oct. 2), BCATO Convention (Oct. 17)

- Meeting on Animal Control at Albright College (Oct. 1)

- Hearing at District Justice regarding 320 Main St (Oct. 3)

- Route 222 progress meeting (Oct. 9, Oct 23) Utility meeting for water and sewer (Oct 28)

- Completed budget process.

- Attended Berks County Cooperative Purchasing Council meeting (Oct. 8)

- Safety Meeting (Oct 22). Fire Extinguishers in building and truck were inspected for the year by outside firm.

- Met with Jason Bailey on donation of parking lot grids for dog park (Oct. 30)

- Keith Shuman is working on a grant for improving drains on Buena Vista Road. The grant would be part of the Dirt and Gravel Road Program, which also covers low volume paved roads. The traffic count is complete and a site meeting with the Conservation District and Penn State interns will be held in the near future.

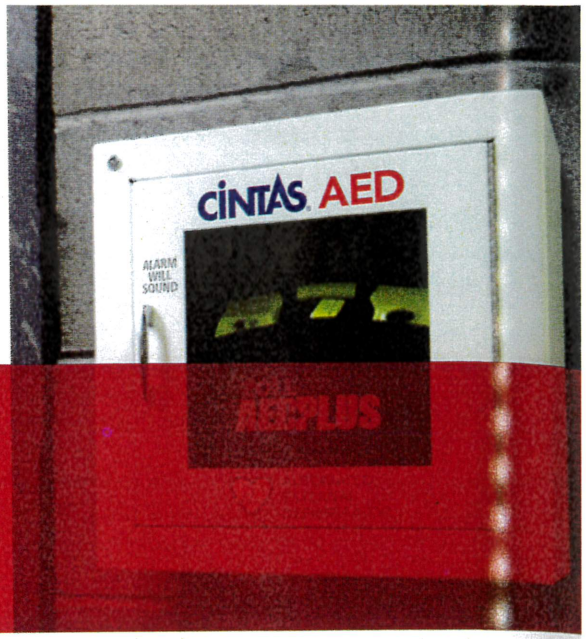

- Applied for a grant from the Berks County Conservation District. The Township, in conjunction with Brentwood Industries, is requesting $8,000 to cover the cost of the permeable gravel pavers for the dog park parking lot.

The Safety Committee has scheduled employee training – Stop the bleed. They have also discussed a CPR course and would like to know if the Board would lease an AED for the building. Cintas provides a Zoll AED for $99/month along with training, free replacement pads and batteries, software upgrades and every other month inspection.

The Holiday Lunch for Volunteers (boards, fire personnel, fire police and ambulance) has been scheduled for December 20 from 11am to 2pm.

Respectfully Submitted,
Diane Hollenbach, Manager

Be READY™ for sudden cardiac arrest

IT TAKES A LOT MORE THAN AN AED TO SAVE A LIFE

Proper planning, implementation, ongoing support and routine on-site service checks are critical in making sure the AED works when you need it most.

GET YOUR BUSINESS READY WITH AUTOMATED EXTERNAL DEFRIBRILLATORS, SERVICE, AND LIFEREADY 360™ PROGRAM MANAGEMENT

AED device — Choose from leading manufacturers, incorporating the most advanced lifesaving technology.

Accessories and equipment — Includes installation, wall cabinet and accessories.
