Re: Berks County, Maidencreek Township, State Route 0222, Section 22S at State Route 73, Genesis Drive / Tamarack Boulevard and Schaeffer Road Intersection Improvement Project, Public Open Plans Display

Dear Madam or Sir:

The Pennsylvania Department of Transportation is conducting preliminary engineering and environmental studies for the State Route (SR) 222 at SR 73, Genesis Drive and Schaeffer Road Intersections Improvement Project located in Maidencreek Township, Berks County.

The Public Plans Display will be an open house format on October 1, 2014 at the Fleetwood Area High School Cafeteria located at 803 North Richmond Street, Fleetwood, PA 19522 from 6:00 p.m. to 8:30 p.m.

The purpose of the Public Plans Display will be to obtain public input and fulfill the National Environmental Policy Act (NEPA) requirements. The Department and its design team will be present and available to discuss and answer questions. All interested parties should plan to attend.

The meeting location is accessible to persons with disabilities. If you need special accommodations or would like additional information, please contact Project Manager Michael J. Mastaglio, PE at 610.962.7860.

Very truly yours,

James R McGee
