Re: Service Electric Cablevision, Inc. Franchise Renewal

Dear Sir or Madam:

According to our records, the cable franchise (the "**Franchise**") between Service Electric Cablevision, Inc. ("**Service Electric**") and Maidencreek Township (the "**Township**") is scheduled to expire on October 13, 2015. As required under Section 626 of the federal Cable Act, and as outlined in Section 16 of the Franchise Agreement, by letter dated February 27, 2013 Service Electric notified the Township of its intent to renew the Franchise and requested commencement of either a formal or informal renewal proceeding.

Federal renewal procedures notwithstanding, Section 13 of the Franchise Agreement allows the Franchise to be renewed at five (5) year intervals and requires that Service Electric provide notice of its intent to request renewal six (6) months prior to expiration of the current franchise term. By this letter, Service Electric requests implementation of the five-year renewal option provided by Section 13 to extend the franchise expiration date through October 13, 2020. The Township's agreement with the extension would obviate the need to commence any renewal proceedings (formal or informal) now. If the Township is amenable to Service Electric's exercise of the Section 13 provision, as Service Electric hopes it is, kindly sign and return a copy of this letter to us. Otherwise, Service Electric respectfully reiterates the request set forth in its February 27, 2013 notice for commencement of renewal proceedings under Section 626 of the Cable Act.

Thank you for your attention to this matter. Service Electric has appreciated the opportunity to serve Maidencreek Township, and we look forward to continuing to provide the residents of the Township with quality cable television programming and service for many years to come. If you have any questions, please do not hesitate to contact me at 610-432-2210 x148 or bethany.pursell@secv.com.

Very truly yours,
