Dear Supervisors of Maidencreek Township,

I am sending this email to advise you that I am resigning from my position as Recording Secretary for Maidencreek Township effective February 4, 2015. I have started a new position that will have me traveling in both Berks and Lancaster counties. I apologize for such short notice.

It has been my pleasure to serve the Township. This has been a wonderful learning experience for me.

Regards,

Johanna Mattera (this serves as my signature)
