Dave Anspach made a motion to approve the Treasurer's Report and Bill List, seconded by Becky Miller. All present voted in favor, the motion passed.

PUBLIC COMMENTS:

Logan Carbaugh presented his idea for an Eagle Scout project. Logan would like to sand and re-stain the posts of the pavilion at the Community Park. Logan would also like to put up signs on the negative effect that graffiti has on a community. The Board recommends that Logan speak with Claude Beaver, Roadmaster, to get an idea of how the posts should be stained and where to place the sign. The Board advised Logan to come with an itemized list of materials to the next meeting for approval.

George Del Rio, father of Michael Del Rio, asked the Board for ideas for his son's Eagle Scout project. The Board asked Katelyn Gruber to re-send the list of Eagle Scout projects to the Del Rio family. Dave Anspach stressed to the Del Rio family that it was important that any potential Eagle Scout should come to the meeting ready to present an idea and the Board would assist in elaborating on that idea and funding the project. Dave Anspach asked the Del Rio family to come back with an idea after they receive the project idea list.

OLD BUSINESS

None.

COMMENTS FROM THE BOARD

Katelyn Gruber informed the Board that there have been some issues with the rental of the pavilion during sport's seasons. Katelyn Gruber suggested the Board look into adding an additional pavilion off of the upper loop parking lot with a grill and horseshoe pit. The Board welcomed the idea and asked Katelyn to do research on pricing, location, etc. Dave Anspach suggested putting a cleaning deposit on the rental of the concession stand. Hether Quillman asked Katelyn Gruber to look into different locking doors for the bathrooms at the Community Park. The stall doors are being shut and locked and cannot be opened without crawling underneath.
