Dear Board Members:

Effective November 17, 2015, Mr. Bill Thomas has been appointed to the Fleetwood Area Public Library Board of Trustees for a term of three years. The State requires any municipality served by the Library to approve appointments of new board members.

The Library Board is requesting a letter from your municipality acknowledging your approval of Mr. Thomas's appointment to the board. Please put this on your agenda for your December meeting.

On November 13th the Library held an indoor mini-golf fundraiser at the Fleetwood Community Center. The Library obtained sponsorships for the 18 holes, sold tickets for raffle baskets along with food and bake goods. The Library's approximate profit from the event is $2,700.00.

Thank You for supporting the Fleetwood Area Public Library.

Sincerely,

Marsha A. Anderson
