Attn: Board of Supervisors

Gentlemen:

This is to advise you that this is my letter of resignation as a member of the Zoning Hearing Board. Due to health issues of both my wife and me I regret to have to send this letter. After moving back from New Jersey I was a member of the Maidencreek TownshipPlanning Commission for many years. Unfortunately I was unable to continue as member of the Planning Commission and resigned that postion.

Very truly yours,

J. Richard Thren
