November 12, 2015

To Who It May Concern,

Martin Construction Company will be installing an 8" sewer line and manhole at 287 West Wesner Road on Friday, November 13, 2015. The sewer trench runs through West Wesner Road. We will have to close the road and that will only give us 4 hours of working time. We would like to divert the traffic around the work area on the shoulder in order to get the work done in one day. There is significant space to do this. The area is solid and has a stone base. We will have the proper signage and a flagger to direct the traffic properly. Martin Construction Company will also assume all liability responsibilities involved in doing this.

Sincerely Yours,
Raymond B. Martin
President
Martin Construction Co.
