PUBLIC COMMENTS:

Fleetwood Girls Softball Association - proposed making alterations to the ball field at the Blandon Fire Co. to alleviate ongoing issues. The Board informed FGSA that everything had to be okayed by the Blandon Fire Company Relief Association. FGSA stated that they had prior approval and that they would ask the Relief for an official letter stating that. The Board informed FGSA that they would need to be in contact with the Township Zoning/Code Officer to ensure that all work was completed to UCC and ADA standards and that approval from the Board of Supervisors is needed as well.

Xander Tucci, Eagle Scout – presented a project to gravel the existing path between Faith Drive Basketball Court and Cornerstone Park and place mile markers along it. The Board questioned whether the gravel would wash away as it is an official flood plain. Katelyn Gruber will contact the Township Engineer and speak to the Road Crew about their opinions for washing away and the best plan of action to haul gravel back to the area. Jeremy Breidenstein made a motion to approve Xander Tucci's Eagle Scout Project with a contingency that the Township Engineer gives approval at an amount not to exceed $500.00, seconded by Becky Miller. All present voted in favor; the motion passed.
