Dear Mr. Schwab,

At their February 3, 2016 meeting, the Maidencreek Township Planning Commission recommended that the Board of Supervisors approve the final land development plan titled Shuman & Schwab Dentistry conditional upon compliance with the items in the Great Valley Consultants letter dated February 2, 2016, which is incorporated by reference, Berks County Conservation District approval and compliance with the Berks County Planning Commission letter once received and reviewed by the Board of Supervisors. Additionally, the Fire Chief has requested that a Knox Box be installed on the building for use in an emergency.

If you have any questions, please call me at (610) 926-4920.

Sincerely,
