Board of Supervisors
Maidencreek Township
PO Box 319
Blandon, PA 19510

March 9, 2016

To the Board of Supervisors:

Please let this letter serve as our notice to appeal our property tax bills for the following reasons:

no public lighting, no final roads for bus access, footpaths not all in place, no township snow removal, and no township street sweeping.

Please review your records, as we request you please refund each household the money paid for the above services that have not been provided to our community since we moved into our homes (please see attached list of names, addresses and settlement dates).

Also, we ask that our future tax bills be adjusted until the above services are implemented and provided to our housing community. Thank you in advance for your attention to this matter.

Sincerely,
The Residents of Melrose Place Development
