Maidencreek Township Board of Supervisors
PO Box 319
1 Quarry Road
Blandon, PA 19510

Dear Board Members:

Effective March 15, 2016, Ms. Akiko Strum has been appointed to the Fleetwood Area Public Library Board of Trustees for a term of three years. The State requires any municipality served by the Library to approve appointments of new board members.

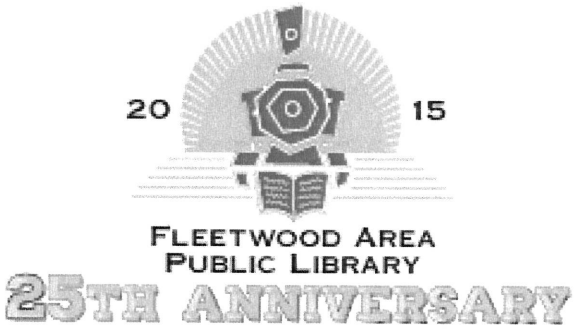

The Library Board is requesting a letter from your municipality acknowledging your approval of Ms. Strum's appointment to the board. Please put this on your agenda for your April meeting.

Thank You for supporting the Fleetwood Area Public Library.

Sincerely,

Marsha A. Anderson

Dear Supervisors:

In 2015 the Fleetwood Area Public Library began searching for a new space to house the library. This letter serves as an update for you regarding our search process. I, along with Board of Trustees Treasurer, Dan Stafford, recently made a presentation to the members of the Fleetwood Grange on behalf of the entire Board of Trustees. We asked the Grange to consider approaching the Fleetwood Area Public Library first, if they should ever decide to sell their building and the surrounding grounds. The Grange members are discussing the library's request.

The Board of Trustees is interested in this location for the following reasons:

- the one-story floorplan would provide easy access for our patrons
- the square footage of the library itself would be tripled
- ample parking would be available in a parking lot
- outdoor space would be utilized for library programs
- the library's visibility would be increased to travelers along Route 662

The Fleetwood Area Public Library will continue its mission to, "connect our diverse community with innovative quality services as we create welcoming physical and virtual spaces, champion an early and lifelong love of learning and excel as an essential information resource." We will keep you informed as new developments arise.

Sincerely,

Stephanie D. Williams
