NEW BUSINESS

5 Year Plan

Katelyn Gruber presented the Board with an updated 5 Year Plan with changes made at the previous meeting.

Blandon Fire Co.

The Board was given 6 options for the new play structure placement. After some discussion the Board decided to go with Paul Grim's placement. Keith Shuman informed the Board that he could purchase railroad ties for the boundaries around the play structure for much cheaper than the plastic timbers that were quoted. The Board decided that they would stick with the railroad ties upon Keith Shuman's suggestion.

Ontelaunee Heights Sinkhole Solution

Keith Shuman stated he is waiting for Tom Unger's plan as to how Tom Unger would like the holes filled.

Safe Halloween at Blandon Fire Co.

The Park and Recreation Board will participate on October 25th from 6-9pm. The Board will hand out the recycling water bottles filled with candy.

Dog Park Amenities – Resident Request of Lights

Carl Weston, 197 South View Road, asked the Board what their plans were for the Dog Park. Mr. Weston suggested the following:

- Solar powered lights
- Water for dogs
- Trees around the outer edge of the large dog area – Carl Weston would like to donate trees
- More benches
- Parking lot to be finished

The Board would like to add the Dog Park to the 5 Year Plan.

Brad Congelio made a motion to make a recommendation to the Board of Supervisors to allow Carl Weston to donate trees and plant, with the direction of the Road Crew, at the Dog Park, seconded by Anthony Spero. All present voted in favor; the motion passed.

Community Park – Resident Request for Pickle Ball and/or Tennis Back Board – Tabled.
