PUBLIC COMMENTS -

Josh Meck introduced himself as the Vice President of FABA (Fleetwood Area Baseball Association). Josh Meck asked that the Township purchase and/or repair the following at the Community Park:

- Repair batting cage area
- Purchase new batting cage net
- Install railroad ties at the batting cage area
- Repair pitching mound
- Dig out home plate
- Repair pitching riser
- Replenish infield mix and dump stock pile of infield mix at park for use during season

Keith Shuman, foreman of Maidencreek Township Roadcrew, agreed that the items and areas needed to be taken care of. Keith Shuman said it should be no problem for the Roadcrew to complete the list. Brad Congelio asked for two prices for how the batting cage area would be repaired. One price for repair only and another price for repair and safe-guard for the future. Stephanie Davenport asked Josh Meck and Keith Shuman to bring prices to the next meeting for exactly what FABA would like completed at the Community Park and the Board would review and make recommendations to the Board of Supervisors for approval.
