Animal Rescue League
of Berks County, Inc.

August 1, 2017

The Animal Rescue League of Berks County is committed to serving our community in every way possible. Each year, thousands of homeless pets come through our doors. We are the primary resource for the investigation of animal cruelty and the only shelter in Berks County currently accepting all stray animals.

Our animal control service is available 24 hours a day, seven days a week, and 365 days a year. These services include assisting municipal police departments on calls, investigating animal cruelty cases, and picking up stray and injured animals. These services are available to your township for an annual donation to the ARL. This will allow you to preserve the valuable resources of your law and codes enforcement officers by freeing up their time to deal with other matters of importance.

Attached is a summary of our intake numbers, the number and type of services we have provided specifically to your municipality, including the number of strays we know of taken in, the number of Humane Police Officer and Animal Control Calls dispatched, and various other statistics that show the extent of the services we provide to our community.

I ask you to please consider an increase in your donation to ARL for 2018. Only 10% of our funding comes from municipalities, but our largest expense is providing these services and the subsequent care required by the animals that come into our shelter. We do not make a profit from these services, but we do understand these services are a vital part of a safe community, and we hope that you agree.

We look forward to the continued cooperation between our organizations in our joint effort to improve animal welfare in Berks County. Enclosed you will find two agreements outlining the scope of our services. Please return a signed copy of one agreement along with a check payable to the *Animal Rescue League of Berks County,* and keep the other copy for your records.

Thank you for your help and dedication to providing care for Berks County's homeless pets!

Sincerely,

Liz McCauley, Executive Director
