Family Fun Day Scheduled Events.

Aaron Rogers emailed Friends of Fleetwood Park about donating volunteers to run the events. He has also been in contact with the Historical Society, and she will talk with Dave Dreibelbis to go over the details for the scavenger hunt. The decorating contest will not take place. Donations should cover the expenses. The bands and the DJ are set, and the P&R Board discussed the times and placement of the bands and the DJ at the event. Aaron emailed the scouts about the color guard, and another scout troop, 183, will help with the Earth Day cleanup. Park and Recreation discussed their role at the celebration. Aaron will draft a letter for the businesses for donations, and Raquel Bonilla will send out the letters. There will be nine food trucks in the field at the Community Park, and proceeds from the activities and games will go towards the new sign at the park. They also discussed the celebration set-up, looking for volunteers for the morning. They are hoping this will open the door for more family fun days in the future.
