Dear Supervisors,

If you have received our notification letter about the Erik Hirner Memorial Ride and are permitting us to go through your municipality either on state roads or municipality roads, the state requires us to have an approval letter from each municipality we will be traveling through. Please confirm that you have received both emails and respond at your earliest convenience so we can keep moving forward with the planning of the memorial ride.

Sincerely,

Mike Berger

Dear Mr. Berger,

This letter confirms that Maidencreek Township has been notified regarding the Erik Hirner memorial ride on May 30th, 2021. We are aware that you will be using state roads and one local road, W Wesner Road for the ride in Maidencreek Township. The Township is not granting permission to close the local road.

Best Regards,

Diane Hollenbach
