Notes about this order:

Please Note: This is a replacement PC for Katelyn Gruber

We anticipate PC and/or laptop installations to take approximately 2-4 hours per device depending on the amount of additional software that will need to be installed and/or the amount of data that needs to be moved to your new unit. Your installation may take more or less time and we will bill for the actual time spent. Microsoft Office Software will be installed on the PC prior the physical on-site installation. Please have any additional software that you would like installed available for the installation day.
